INTERPRETATION OF TAB

Because of the complexity and detail presented in these volumes, care must be their interpretation. A few explanatory necessary about the treatment of th classifications used in these tabulations.

As mentioned previously, it was felt that da sionally active physicians would be mos research and planning purposes. At the however, it was felt that the total pool manpower should be represented in these v dual purpose caused some problem in the c tain tables because of the inactive and not tivity categories. These two categories are the tabulations but are treated differently c the type of cross-tabulation involved. C tables in which specialty is cross-tabulated professional activity, the inactive and n physicians are included in the total value distributed by specialty. Instead, these tw provided at the bottom of the specialty c "Inactive," "Non-classified," and Unknown". To arrive at the total value, and not classified values should be added t the other major professional activity cat applies to Tables 1, 3, 6, 9, 16, and 19.

Address Unknown

Physicians with unknown addresses are i in Table 1 for informational purposes. Aga is not distributed throughout the table but the grand total. Physicians with unknown excluded from all other national tables; t grand total value on Table 1 exceeds the t Table 2 plus the total in Table 3, and the t in Table 4.

Availablity of Data

This concludes the description of data the COP series. Every effort has been mad the most frequently requested information meaningful to most users. These data ar made available in the form of print tap Bureau of Health Manpower. In addition, underway to publish the COP series on a

[4] These observations are based on a comparison of *Annual* for Massachusetts and the *Characteristic*

as a record-keeping device for membership purposes. Decisions were made on a day-to-without a unified approach and without what these decisions would mean in terms methods and interpretation of the data.

ch activities within the Association became icated, the complexity of data requirements he *Masterfile* was, therefore, expanded and meet these requirements. Today, the *AMA Masterfile* is the most comprehensive and irce of physician data in the United States. nformation on every physician in the coun- s and non-members of the Association, on f American medical schools who are tem- cticing overseas, and graduates of foreign ools who are in the United States and meet ion standards for primary recognition as Thus, all physicians comprising the total anpower pool are included on the *AMA Masterfile.*[6]

started on each individual upon entry into ool or, in the case of foreign and Canadian pon entry into the U.S. As a physician's career develops, additional information is e file—e.g., internship and residency train- e board certification, professional affilia- other characteristics. Although such cs change over time, they are not subject to nge. These types of characteristics are in- e "historical" portion of the *Masterfile.* In ere is the "current professional activities" each physician's record that identifies his ress, professional activity, specialties, and status. By definition, this current portion *rfile* is subject to constant change and must through intense monitoring techniques.

966, physician classification by specialty, d employment was made through the n of Professional Activities (CPA) system, based upon a "private practice/not in tice" concept. Data were collected under via a short postcard-type questionnaire en-

raws heavily from: Goodman, L.J. *Physician Distri- edical Licensure in the U.S., 1976.* Chicago: American ciation, 1977.

of validation studies conducted on the *AMA Physi- le,* see Goodman, L.J., and Eisenberg, B.S., "The ysician Data." *Public Data Use,* 5 (May 1977): pp.

queries relating to the number of pati hours worked in each activity are mad manpower cannot be properly allocated ferent activities.

This recommendation gained extensive co 1966 when the then AMA Departmen Research, which has been replaced by the of Statistical Analysis and is now a part Center for Health Services Research and began its efforts to update, improve, an *AMA Physician Masterfile.* In its evaluatio base, it identified four major limitations classification system:

1. Existence of categories which were exclusive, resulting in confusion an between and within activity, sp employer categories.
2. Lack of a criterion upon which to b tion.
3. Lack of information on the most rec each individual record.
4. Unavailability of information on r for the annual verification questionn

These deficiencies were of sufficient conce major revisions in both the structure of th data collection procedures. Therefore, a f ject (the Reclassification of Physicians Pr itiated to redesign the classification sy undertook the Reclassification Project in with the National Center for Health Sta United States Public Health Service, th Demographic Surveys of the U.S. Bureau c and knowledgeable researchers in academ

The first step in reclassification was the of the format of the 1966 edition of the *D Physicians, Hospitals, and Hospital Beds,* of the AMA Center for Health Services Development. Through a series of compu the old *Masterfile* category "private private practice" was converted to the mo "patient care/other professional activity 1966 format changes constituted a step direction, an important deficiency in the p file of the physician population remained: being collected under the old classificatio became obvious that the data collection pr to be revised to correlate with the new

Doctor:

se complete this questionnaire as soon as possible so that your ial record is up-to-date with correct and current information printing of the *1973 AMA DIRECTORY*. Data obtained this questionnaire will be aggregated and used to describe listribution of physicians and to analyze health manpower. ever, *NO information from your record will be released* to organization for the purpose of developing independent ician data files.

Thank you.

uctions

Please answer every question on the basis of your *current* activities.

Indicate any changes. Information which you provided previously has been printed in this form. Please *complete* unanswered sections and make *discrete changes* where applicable.

Upon completion, return the questionnaire at your *earliest possible convenience*, using the preaddressed envelope.

tents

uestionnaire is divided into four sections:

Professional Activities—the types of activities in which each physician spends he most time during an *average week*.

Specialization—the time physicians spend in their major fields of specialization.

Present Employment Status—the number of hours *per average week* spent under various practice arrangements, by type of practice organization or employer.

Address and General Information

Include time spent in training, teaching, or research. Include travel time and time spent on record keeping and other office work connected with your patients. . . . . . HRS. 4 —

How many hours per week do you spend on ADMINISTRATIVE ACTIVITIES, AS A SALARIED STAFF MEMBER OR EXECUTIVE OF AN ORGANIZATION?

Exclude time spent on record keeping and office work connected with management of your own practice. Include activities connected with the administration or staff committees of a hospital or other health facility or agency, clinic or group, or any other organization by which you may be salaried as an executive or staff member. . . . . . HRS. 5 —

How many hours per week do you spend on MEDICAL TEACHING?

Include hours spent in teaching as well as in preparation for subjects taught in medical schools, nursing schools, other hospital schools, hospitals, colleges, universities, or any other educational institutions. . . . . . HRS. 6 —

a. OF THESE HOURS how many do you spend on direct care of patients?

Exclude time devoted to patient care by house staff under your supervision. . . . . . HRS. 7 —

In view of possible overlap of hours spent in teaching and research, please do not double-count such hours, but report them instead in the most applicable category.

How many hours per week do you spend on MEDICAL RESEARCH?

All phases of investigating madical problems regardless of source of funds for such research. HRS. 8 —

a. OF THESE HOURS how many do you spend on direct care of patients?

Exclude time devoted to patient care by house staff under your supervision. . . . . . HRS. 9 —

How many hours per week do you spend on any OTHER medical activities *(not listed above)* INVOLVING DIRECT CARE of patients? . . . . . HRS. 10 —

How many hours per week do you spend on any OTHER medical activities *(not listed above)* NOT INVOLVING direct care of patients? . . . . . HRS. 11 —

About how many hours per week do you spend in ALL PROFESSIONAL ACTIVITIES? Total of questions 1 through 7 (exclude 4a and 5a) . . . . . HRS. 12 —

If you indicated "zero" on question 8, or if *none* of the above categories apply to you, please answer question 9.

Are you:

1 ☐ RETIRED 2 ☐ SEMI-RETIRED

3 ☐ PERMANENTLY DISABLED

4 ☐ TEMPORARILY not in practice

5 ☐ Not active for other reasons *(please describe)*_____

_____

Total of Section I, equivalent to total of Section II, and total Section III, respectiv

Please cross *out* any prior information which is *not* applicable.

Third

III. PRESENT EMPLOYMENT STATUS

Please indicate the current *number of hours spent per week* for the following types of employers. (Note: employer should **NOT** be confused with the physical location of where your hours are spent.) Please answer EVERY question 1-10. If you do *not* spend any hours for any one of the following employers, so indicate by entering zero (0) hours.

	HOURS PER WEEK: Prior Census	HOURS PER WEEK: Changes If Any
1. Self: "solo" practice	HRS.	1 ____ HRS.
2. Self: partnership practice	HRS.	2 ____ HRS.
3. Arrangement with other physician(s): non-group	HRS.	3 ____ HRS.
4. Group practice	HRS.	4 ____ HRS.
5. MEDICAL SCHOOL (or parent university)	HRS.	5 ____ HRS.
6. NON-GOVERNMENTAL hospital	HRS.	6 ____ HRS.
7. City or county government — a. HOSPITAL	HRS.	7 ____ HRS.
b. OTHER than hospital	HRS.	8 ____ HRS.
8. State government — a. HOSPITAL	HRS.	9 ____ HRS.
b. OTHER than hospital	HRS.	10 ____ HRS.
9. U.S. government — a. HOSPITAL	HRS.	11 ____ HRS.
b. OTHER than hospital	HRS.	12 ____ HRS.

Indicate Federal Agency:

1 ☐ Army
2 ☐ Navy
3 ☐ Air Force
4 ☐ Public Health Service (C.C. & C.S.)
5 ☐ Veterans' Administration
6 ☐ Other _____ (SPECIFY)

13

10. OTHER ORGANIZATION—Not listed above

(all types of insurance carriers, pharmaceutical companies, corporations, voluntary organizations, medical societies, associations, grants, foreign countries, etc.) HRS. 14 ____ HRS.

If the address printed at right is NOT correct, please make eppropriate changes in space provided.

(STREET) 16-43

(CITY, STATE, ZIP) 44-75

2. Please indicate at which address you wish to receive *medically related* material:

Professional Address..... ☐ 13

Home Address..... ☐ 14

3. Please indicate below the county and state of your HIGH SCHOOL graduation if in the United Stetes or Possessions.

(County) 15-17 (State) 18-19 20-21

If already provided, please verify following:

(County) (State)

GROUP NAME

ADDRESS

CITY-STATE-ZIP

4. Please supply the following information:

Social Security No.: _____ 22-32

Age: _____ 33-35

Sex: . . . . . ☐ 36 Male ☐ 37 Female

Race: . . . . . ☐ 38 White ☐ 39 Black ☐ 40-41 Other
